

Full Committee Review (FCR): 3-Year Rewrite (triennial animal protocol renewal) or New Animal Protocol

Definitions

- DEF = Deferral. Protocol must be edited and return for Full Committee Review (FCR) after editing – rarely, IACUC may Table a protocol, which is same process path
- MR = Modifications Required. Protocol must be edited and return to one or more designated IACUC members for further review.
- FCR = Full Committee Review – review by quorum of IACUC at scheduled monthly meeting.
